Other Procedures: _____

BATHS

Baths can be scheduled with Grooming while your pet boards. A bath is recommended for all animals staying over three (3) days. Since baths are given the day the animal is to leave, it is recommended that you call ahead to insure that your pet is ready to go. Baths start at \$15.00.

I would like to schedule a bath with the Groomer.

I fully consent to any emergency treatment deemed necessary by Chesdin Animal Hospital for my pet while boarding at Chesdin Animal Hospital. I agree that the determination of what is an emergency and necessary treatment shall be made solely by Chesdin Animal Hospital to which I consent and approve. In addition, if my pet has fleas, I agree to allow Chesdin Animal Hospital to treat him/her as needed.

I agree to release and indemnify Chesdin Animal Hospital, its owners, staff, employees, or other representatives from any and all liability for the escape, injury or death of my pet while boarding at Chesdin Animal Hospital. If I neglect to pick up my pet within five (5) days of the pickup date and do not notify Chesdin Animal Hospital within that time, my pet will be deemed abandoned and Chesdin Animal Hospital will assume full ownership of the animal to do with as seen fit. I agree to pay for the added cost of boarding and disposal, which is incurred by Chesdin Animal Hospital.

I further agree to pay Chesdin Animal Hospital reasonable attorney fees and costs if it prevails in any lawsuit or claim to enforce this Agreement or any lawsuit or claim brought by me, my assigns, heirs, agents or any other person who has an ownership interest in my pet.
