Essential Items

- A cozy crate that helps them feel safe
- Poop bags
- A comfortable bed
- Chew toys and treats
- Stainless steel or porcelain food and water bowls
- Leash, harness, and collar with I.D. tag
- Gentle puppy shampoo, hair brush, toothbrush

The First Week

- Get insurance for the first year at least (costs add up!)
- Visit the vet for a first checkup
- Have them microchipped
- Make sure your home is puppy proof
- Keep feeding them the same food they've been eating

Puppy Proof

- Cover electrical outlets
- Cover trash cans
- Remove toxic plants
- Put away medicine and cleaning products
- Make sure they have easy access to their food, water, crate, and bed
- Keep doors closed or use gates to block off certain areas

Routine

- Brush their teeth daily or at a minimum of once a week
- Get them used to bathing and ear cleaning every 1-2 months
- Schedule their first professional grooming appointment
- Feed them 3 times a day once they're older than 6 weeks
- Brush their hair once a day
- Get them used to their paws being handled and nail trims
- Create a schedule that includes playtime and potty breaks
- Start them on monthly flea, tick, heartworm, and intestinal parasites preventative
